

On the garden level of the Chateau, discover a space entirely dedicated to your well-being which you can access directly in your bathrobe from your room:

a balneotherapy area with free access for our guests, 4 treatment cabins including a double, a treatment menu created with our partner THALGO.

A BALNEOTHERAPY AREA

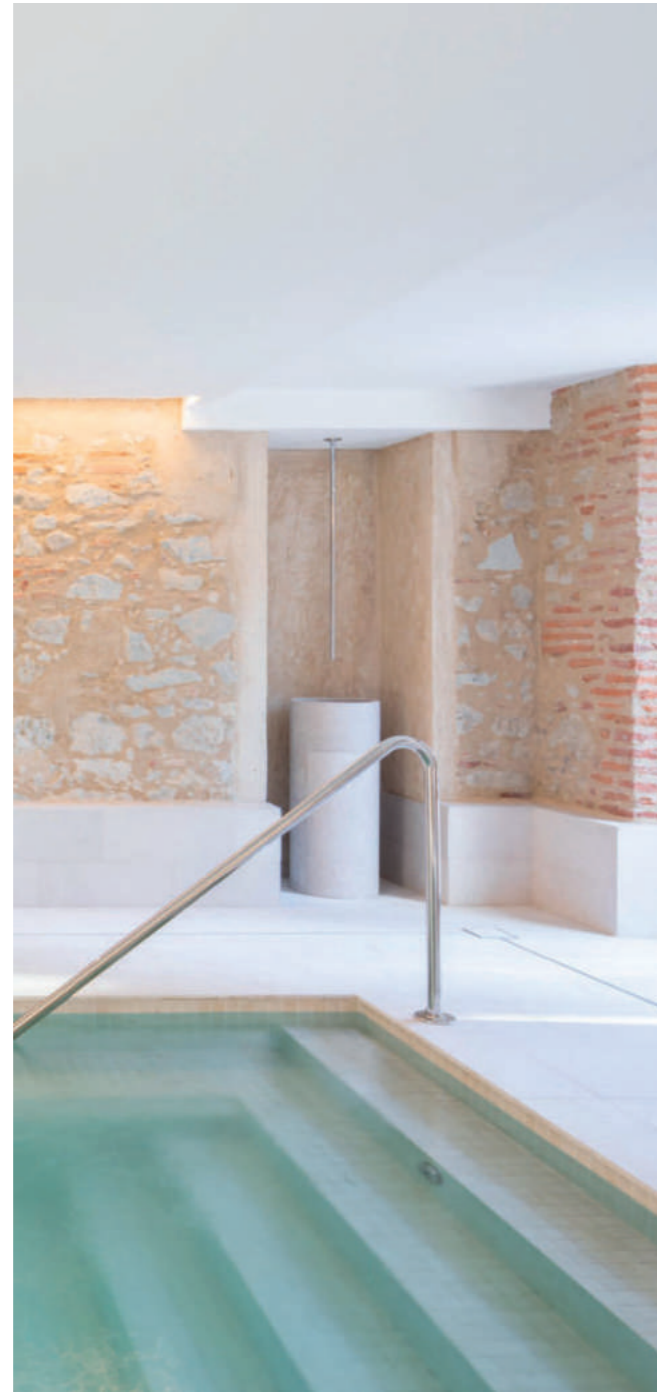

The aquatic space, equipped with an indoor swimming pool, Icelandic baths, a sauna and a hammam, is accessible from 10 am to 7 pm Monday to Saturday and Sunday morning until 12 pm. Access is unlimited for our guests staying at the Chateau.

Make the most of this unique space by focusing on the middle of the day.

EXTERNAL VISITOR

■ Access to the water fun area

1h 30€

Fanny PIEDRA, Spa Manager,
and her entire team

Will make your moment at the Spa an invigorating and smoothing Well-being break: massages, facial and body treatments, cures ... All these services are carried out with environmentally friendly products and provided by a welcoming and competent team.

The reception of your REVIVO Spa is
open from Monday to Saturday, from 10 am to 7 pm
51 rue Chaminade - 81500 FIAC

Reservation: to make a reservation, please contact us on 05 54 72 10 10.

In order to best meet your expectations, we suggest you book your treatments in advance.

Arrival: access is directly from the main entrance or from the first level for hotel residents.

If we have reserved a time slot for you, we thank you in advance for coming to the Spa reception five minutes before your appointment.

Any no-show without cancellation will be charged.

Attire: during your getaway to our Spa, your privacy will be respected. A linen pack, including bathrobe, slippers and disposable underwear, will be given to you as soon as you enter the premises.
